## Get in Your Membership Renewals

### Help us keep the branch strong!

By now you should have received your membership renewal forms in the mail. Please note any corrections or additions to your Directory listing on the form. California State AAUW has asked that we collect certain demographic information which you will find at the bottom of the form; your response is optional but will help us establish a baseline for our recruiting efforts.

Our branch offers a variety of activities so you can be as involved as much (*or as little*) as you like. Take a look at the committees, small interest groups and assorted tasks, then check out those where you would like to participate. We invite you to try something new this year!

When you renew your membership, you may find it convenient to include donations to support our three local projects (*Tech Trek, Local Scholarships, and the Committee on Homeless Women and Children*) and /or AAUW Funds to support the Education Foundation and the Legal Advocacy Fund. These can all be included on one check.

*This Membership Article continues on the top of page 4.*

If you did **not** receive your renewal forms, please call Virginia Turner at 408-866-4234 or email her at [vturner@sbcglobal.net](mailto:vturner@sbcglobal.net) and she will send them to you.

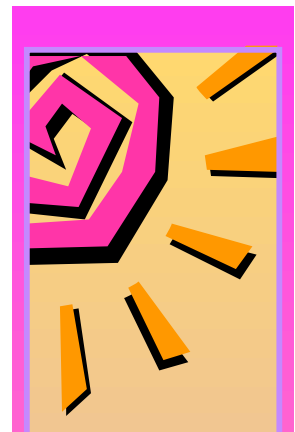

## Over the Summer . . .

**AN OPPORTUNITY TO JOIN A NEW INTEREST GROUP!**

## Branch Leadership Team

Thank you all so much for taking a leadership position in the Los Gatos-Saratoga branch of AAUW. Your committees and small groups provide a wide variety of opportunities for our members to get involved, whatever their interests may be. When members get involved in a branch activity, they are more likely to remain as members and help make our branch that much stronger.

As our 2015-2016 year is ending, we need to start thinking about the coming year. As you probably know, each committee and small group is responsible for choosing its own leaders for next year. Perhaps you change each year, working through the members alphabetically; perhaps your leaders serve for two years – or

longer; or you may have some other method. Any approach is fine.

We want to list each group and the contact people in our directory. And each group will want to have an information table at our opening meeting in September. Please send the contact information to me and to Gail Pedersen when you have it, but no later than **June 30**.

There will be an old board/new board planning lunch on Tuesday, July 12, at 12 noon at Florentine Restaurant in Saratoga. You are most welcome to attend and help us plan the programs and activities for 2016-2017. We sincerely appreciate your commitment to

AAUW!

**Virginia Turner** and the branch Leadership Team of **Gail Pedersen, Louise Quenon, Judy Borlase** and **Kay Duffy**

## Meet the Branch Leadership Team

**Nancy Anderson.** I was born in 1932 in a mining camp in Western Australia. At age four we moved to Perth. The impending WWII caused a move near my mother's parents in Vancouver, Canada. The cold winter sent us to Alhambra (*near Los Angeles*). Next it was off to the mining camp in Fresno, Zacatecas, and four years later to a new position in Mexico City. In 1947 we returned to Alhambra, California where I finished high school. In 1950 I began the pre-nursing course at the USC, but like an idiot I left to be married. We lived in Manhattan Beach until 1957 when my husband's employer, Lockheed, opened a new plant in "The Valley of Heart's Delight".

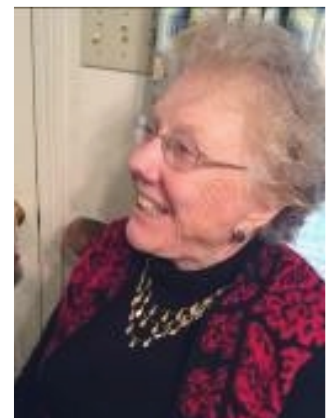

In 1961 I heard that the County Council of Churches needed volunteers for their Migrant Ministry program. I was assigned four Saratoga orchards to check if the children had their shots and took families to the clinic the county ran in Almaden valley. With the Federated Church we ran a program where Redwood students would tutor the young children. Thanks to the school district, I collected out-of-date text books and had a lending library in the back of my station wagon. I continued this for 15 years until the orchards were pretty much gone.

In 1963 I finished to college with a degree in Anthropology. I continued in the Mexican-American Graduate Studies Department finishing all the class work and intern hours when my husband and I divorced and I had to go to work.

I worked as a social worker in 1974 and then the County decided they needed more workers with a master's degree so 13 of us signed up and with the County paying our full salary received our MSW. (*Those were the days when we had money and had the name, Santa Claus County!*)

In 1982 I married Doug and after he retired from Lockheed. I couldn't see why I should keep working! I retired and we started traveling. We bought a pop-up trailer and toddled all over the U.S plus taking trips abroad and a wonderful trip to Australia.

*See next page, column 1 for the continuing story . . .*

*Nancy Anderson's Biography is continued from the bottom of page 2.*

In 1986 Georgia Travis decided I should work with homeless women and children so I joined that nascent committee in the Los Gatos-Saratoga AAUW, I am now its Chair. I also enjoyed working with the city of Saratoga, serving on the Historic Preservation Commission and the Saratoga Historical Foundation. My favorite task there was to dress up in my long skirt and apron and stand in the kitchen of the McWilliams house and describe to the many classes of children that come to hear about life in 1860 (*Linda Hagelin's program*).

For these efforts I was surprised and honored to be selected as the 2008 Saratoga Citizen of the Year.

Today at 84 and Doug at 96 we are mostly at home. I have three daughters and between us, Doug and I have 7 grandchildren and 7 great grandchildren. I host the Spanish Conversation group in my home, come join us, it's fun!

I'll always be grateful to AAUW, I have made some wonderful friends and have had the privilege of interacting with smart, interesting and entertaining women. *Who could ask for any more?*

## Meet the Branch Leadership Team

**Cynthia Miller.** I joined the Los Gatos – Saratoga branch of AAUW fairly recently, attracted by the wonderful experience that my daughter, Jennifer, had at Tech Trek. Actually Jennifer has had several wonderful Tech Trek experiences having been a camper, a junior counselor, a senior counselor, and a substitute dorm mom over the past few years. It's hard not to be passionate about a program that has given so much to your child! This year I took on the lead role for our branch's Tech Trek Selection Committee. This activity has given me the opportunity to meet a lot of accomplished and inspiring 7<sup>th</sup> grade girls and they have really boosted my confidence in the future.

I was born and raised in North Carolina where my interest in Science, Technology, Engineering and Math (STEM) began early. As a child I enjoyed exploring the labs and offices where my father worked as an engineering professor at Duke University. I still marvel that my Christmas gifts over the years included a pony and a chemistry set complete with a Bunsen burner and smelly, dangerous chemicals. I attended Dartmouth College

*Cynthia Miller*

where I double majored in Computer Science and Economics. Then I came west to earn a master's degree from Stanford's Graduate School of Business before going on to work in the computer industry for 15+ years.

In 1995 my husband, Darrell, and I settled in Saratoga and began to raise our family. In addition to our daughter, we also have a son who is currently a sophomore at Saratoga High School. Over the years I have been an active volunteer in the children's schools. From 2001-2004 I served on the board, and eventually as president, of the Saratoga Parent Nursery School. And in 2014 I was elected to the board of the Saratoga Union School District. In my spare time I enjoy reading and gardening.

### Old & New Board Planning Meeting

Join us in planning and setting up the details that will make the branch succeed next year.

We will meet at: **Florentine Restaurant** (14510 Big Basin Way, Saratoga)

## Membership Renewals are Due!

Your generosity will truly make a difference to these women and girls.

Dues remain the same as last year and will keep your membership active through June 30, 2017. Your response **by June 30** will simplify our work on the Directory and branch database.

**Thank you for being a member of the Los Gatos-Saratoga branch of AAUW!**

–Virginia Turner, Membership Vice President

**Remember that the Los Gatos-Saratoga AAUW needs every member to renew today!**

## Local Fundraising Event Gives Boost to Gifts for Teens

The Silicon Valley Gives Day of Giving on May 3 was a great success for **Gifts for Teens**. As one of the many local non-profit charities registered, a sum of \$8,275 was donated to **Gifts for Teens**. The shopping list for our holiday gift bags is long and this will help towards purchasing much needed items like a warm sweat shirt.

Thank you to all who generously donated and selected **Gifts for Teens** as a recipient. You have made a difference in the lives of many homeless and low-income teens in the Bay area.

–Jan Giroux, Gifts for Teens

## Thanks to Our Directory Advertisers

Much of the cost of printing and mailing our branch Directory is underwritten by the businesses that advertise in it. When you use any of those businesses, please let them know that you saw their ad in our Directory and tell them how much we appreciate their support for women and girls in our local community.

We sincerely thank our current advertisers and have invited them to advertise again next year:

- Azuca – Jewelry and Gifts
- Barbara Nesbet – Attorney at Law
- Cherie Rose Collection – Home Furnishings
- Icing on the Cake – Bakery
- Flynn, Rose & Perkins – Insurance Law
- Lydia and Dom Norcia – Real Estate Specialists
- Pajaro Dunes Condo – Vacation Getaway
- Saratoga Retirement Community
- The Terraces of Los Gatos

Do you have a business or service that would benefit from being included in our Directory? Perhaps you or a friend or family member provide professional services, or you may have a local shop or restaurant that is looking for new customers. Consider advertising in our Directory. A full page ad is only \$100, a half-page is \$50 and a business card size ad is only \$35. **The deadline for inclusion is July 31, 2016.**

For more information or to place an ad, please call Virginia Turner at 408-866-4234 or email her at [vturner@sbcglobal.net](mailto:vturner@sbcglobal.net).

### Assist the Finance V.P. It's Time to Send in Vouchers for Reimbursement!

If you have any outstanding bills for branch expenses that you incurred in Fiscal Year 2015-2016, please submit them to Louise Quenon, Finance V.P., **before June 20, 2016.**

She needs time to finish the books for this year.

## Our Branch's Highest Honor Given to This Year's Named Gift Honoree

Our branch each year honor members and supporters for their contribution to the mission of AAUW, whether through financial support, their service as branch leaders or staunch supporters of AAUW.

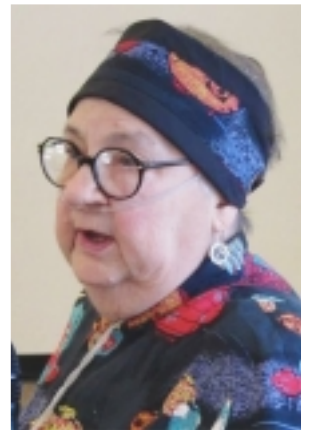

Today we honor two members who have many common interests as you will find out later.

The first honoree love roses. She has over 80 rose bushes in her yard! If I had a choice to name a rose after this honoree, I would call it the Compassionate Rose. This honoree has been actively involved at the Women's Gathering Place serving on their advisory board and helping with lunches. She not only helps with the Homeless Committee by serving lunches on the last Wednesday of the month, but every week she leads in bagging 160 bag lunches. Here are a couple of stories from Pastor Sharon Hare of the First Presbyterian Church: "One day a sick woman came to the Women's Gathering Place. Our honoree felt compassion for her and allowed her to lie down in one of the rooms. Then she helped with the lunches. Our honoree didn't think that others would be exposed to the sick woman's germs." Another compassion example was when she took Izzy out on an outing. (You remember Izzy who was one of our speakers at the Pearl Tea). Izzy responded very positively about the outing, (our honoree learned that she needed to get permission first). How wonderful is that compassionate spirit.

Our honoree chaired this year's Author's Lunch. She has helped with the new members' orientation, attended book group, played bridge, and participated in the gourmet lunch. When Joyce Sogg passed away, our honoree filled in to coordinate the Homeless Committee lunch program. I helped served lunch one day and bought a cake. This honoree made ham, potatoes, vegetables and salad for the WPG clients. She has devoted a big part of her life in supporting those who need help. I am delighted to announce one of this year's Named Gift Honoree—**Judy Borlase**.

*Do not stand by my grave and weep  
I am not there, I do not sleep  
I am a thousand winds that blow  
I am a diamond glint on snow  
I am the sunlight on ripened grain  
I am the gentle autumn rain  
When you awake in the morning hush  
I am the swift uplifting rush of  
Quiet birds in circling flight  
I am the soft star shine at night  
Do not stand by my grave and cry  
I am not there  
I did not die*

This is a Native American poem, author unknown. But to me, it symbolizes our second Named Gift Honoree. She joined the Homeless Committee and was instrumental in the committee helping the Women's Gathering Place. Like the first honoree, she served on the advisory board. I helped serve lunch there on several occasions with the honoree. As part of the process Pastor Sharon Hare would have the clients form a circle for prayer. The honoree would disappear. At the time I did not know that she was an atheist. Over a period of time, Pastor Sharon and she became good friends. Pastor Sharon told me that one day the honoree told Pastor Sharon that she was the only atheist friend, but the Pastor said no, that she had other friends who were atheist. Immediately, our honoree responded by saying "Well, you are the first Pastor friend I ever had."

Unfortunately, our honoree passed away on January 9, 2016, and you read about her in the *February and the April 2016 Grapevine* issues. Those of us who attended her memorial service on April 30<sup>th</sup> were treated to her musically talented family. We asked to select a few items from a table that containing the honoree's books, pins, jewelry and other items. The second Named Gift Honoree for this year is **Joyce Sogg**.

*NOTE: Her family is unable to be with us today, but I'll ask Nancy Anderson, Chair of the Homeless Committee, to accept the certificate on her behalf.*

## Former Tech Trek Camper Wins Awards

Thanks to your ongoing **Tech Trek** contributions, our branch has sent the girls from an entire family to Grace Hopper Science and Math Camp at Stanford University. The oldest of three sisters, **Anne Zepecki** (pictured right), is now a Los Gatos High School senior; she founded a *Girls in Computer Science Club* to inspire her peers to pursue their technology interests. Anne also created a website to teach high school girls computer science and received an award from the Association of Computing Machinery at the Synopsis Science Fair in 2015. Anne also received – Outstanding Junior Scientist award (for her commitment to promoting women in technology) from the Silicon Valley Chapter of the Society of Women

Engineers. For information on Anne and her activities see the link at [www.aspirations.org/users/anne](http://www.aspirations.org/users/anne)

Anne was a **Tech Trek** camper sponsored by our branch in 2011. Her camp experience played a key part in focusing her passion for technology and for sharing that passion with other young women. She will be a Counselor at this July's camp (she was an intern at Intel in Santa Clara this past year).

Anne inspired both of her younger sisters to attend **Tech Trek** camp (courtesy of nominations from teachers at Fisher Middle School and selection by our branch): Kate in 2013 and Caroline in 2014. The entire Zepecki family has fully supported **Tech Trek** and their daughters are

fulfilling the vision of **Tech Trek**. Accomplishments such as Anne's help personalize the metrics obtained from our surveys: **Tech Trek Camp is indeed a life-changing experience for many young girls.**

## Thank You for a Successful AAUW Year!

We celebrated our 75<sup>th</sup> anniversary with special recognition of our branch presidents who guided us through the decades and reflections by **Kathleen Doty**, California AAUW President, who told us about the various activities and programs offered at the state level. **Thank**

**you** for attending and providing the delicious pot-luck lunch!

We raised money for Local Scholarships given to women transferring from West Valley College to a four-year college, for a week-long Tech Trek experience at Stanford for several girls in our local middle schools, and for critical assistance for Homeless Women and Children here in Silicon Valley. **Thank you** for your generous support!

We co-sponsored programs with the League of

Women Voters and with Soroptimists, and represented AAUW in our local community at the Saratoga Blossom Festival. **Thank you** for bringing refreshments, greeting people and filling the rooms!

We offered a wide variety of activities for specific interests such as book reviews, hiking and foreign affairs. **Thank you** to everyone who served as Board members, committee chairs, and interest group leaders. You are the backbone of the branch!

We had very high membership retention and welcomed several new members. Regardless of involvement level, every member helps further the mission of AAUW to advance equity for women and girls through advocacy, education, philanthropy and research. **Thank you** for your membership!

The Leadership Team will continue to serve for 2016-2017 and would love to hear your ideas and thoughts for branch activities in the coming year. Our old board/new board lunch will be held on Tuesday, July 12, 2016. *We welcome your comments and suggestions to make our 76<sup>th</sup> year the best year ever.*
