## Message from the President

November helps us to reflect on what we have accomplished this last calendar year. I think we have done a lot during this past year. The governor has signed the No Cadmium bill and the Fair Pay bill should be voted on in November. We can be proud that our branch is one of the top ten contributors to AAUW causes.

I want to offer my thanks to following members for their help. Helen Lemmon was gracious and offered her home for the June meeting. Corrine Rathjens has stepped up to help with the minutes at our board meeting while Joyce Rastatter recovers. Judith Borlase will be our new "Meet and Greet" chair for our General Meetings. Congratulations to Virginia Turner and her committee for a delightful and

successful Wine Tasting event at the Black Hills Winery. The proceeds will benefit the Local Scholarship fund. The wine was complex and interesting. The setting spectacular and the company cordial. Everyone mingled and enjoyed the incredible snacks provided by the committee. *(See page 3 for a few photos from the Wine Tasting event.)*

You are all cordially invited to our first General Meeting of the year this month. We have Lori Gaskin, President of West Valley College, to look forward to hearing in November and then, of course, there is the Holiday Party with Santa and Mrs. Claus on hand for December. Last year's Holiday Party was a great success and we had a change to meet new members

and catch up with the members and their guests who attended.

Save the date and plan to attend the Holiday Party on Sunday, December 12. I hope to see you at our November General Meeting on Saturday, November 13 *(see the front page for details)*.

–Mary Surginer

### Register Your Opinion to AAUW National

One Member, One Vote, adopted at the 2009 AAUW National Convention, changed AAUW national elections from a delegate-only process to one that gives every member a vote. Every member needs to know about the new voting process and that the details are posted online now. We need your help in getting this message out!

Members can now propose bylaws amendments, resolutions, and Public Policy Program revisions/additions, as well as make comments and submit an application for national board candidacy on the AAUW website. Candidate applications are due by October 1, and the deadline to submit proposals is November 17. In early December, members will be able to "meet" the candidates online through biographies, videos, and candidate links.

Members were notified by e-mail about this online process in early August, but many may have missed the notice or don't have e-mail. We urge member leaders to provide this information to all branch and

state members through all their various channels. To learn more about the process, we recommend that you read the One Member, One Vote Current Topics Briefing and FAQ posted on the AAUW website and look for more details in the Fall, Winter, and Spring/Summer issues of AAUW Outlook.

To access the One Member, One Vote section of website from the AAUW home page, click on Member Center in the top right corner, log in with your member ID, and select One Member, One Vote. You may also want to remind members that they can find their member ID on their AAUW Outlook mailing label or by using the Member ID Lookup link available on the AAUW Member Log-In page. *(Check your New Directory also for your member ID.)*

Thank you for helping to ensure that all members are familiar with the newest way to make their voices heard within AAUW!

Sincerely,

Linda D. Hallman, CAE; AAUW Executive Director

## Seeking Summer Campership Donations

### Save-the-Date for the Author's Luncheon in January

Annual EF Fundraiser to benefit the AAUW Funds

Wednesday, January 26, 2011 from 11:30 am to 2:30 pm

at the La Rinconada Country Club

See the January *Grapevine* for information about the exciting authors we have lined up for this year's luncheon.

For more information, contact Geri Williams, Chair at [gerisjs@aol.com](mailto:gerisjs@aol.com).

One of the donations we make each year is the Summer Campership for the children at the San Jose Family Supportive Housing (Family Shelter). The money we give is used to provide clothing and equipment so that the children living in the shelter and going to the week-long camp look no different from the other kids attending the camp.

The camp is not just for homeless children. What a boost to the children's self esteem as they don't have to stand out as the "poor kids". If anyone would like to donate to this good idea please make a check payable to ISPF and mail it to our treasurer, Patty Weber at 5684 Hollyleaf Lane, San Jose, CA 95118

For information about our Committee on Homeless Women and Children please contact Nancy Anderson, [Dander2567@aol.com](mailto:Dander2567@aol.com); 867-4383.

## Choice Update

Several provisions affecting women and their reproductive health kicked in on the six-month anniversary of the Health Care Reform Act. Among the new provisions are the following:

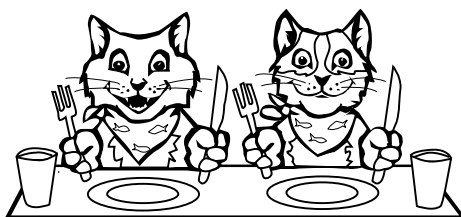

1. Preventive care, including breast and cervical cancer screenings will be covered without co-pays.
2. Insurance companies will not be allowed to drop coverage after an individual becomes ill.
3. Young adults will be allowed to stay on their parents' health plans until age 26.
4. 75 million dollars a year will be spent on fact-based sex education and teen pregnancy prevention.

Unfortunately the Act continues to carve out special abortion provisions leading to a complicated system requiring a separate policy with a second payment for abortion coverage. How about a second, extra plan for Viagra coverage?

Planned Parenthood Advocates Mar Monte is doing election work to insure that pro-choice candidates are elected. If you're interested in volunteering contact [sjvolunteer@ppmarmonte.org](mailto:sjvolunteer@ppmarmonte.org) or call (408) 795-3753.

For information, please contact Joyce at [joycelawyer@earthlink.net](mailto:joycelawyer@earthlink.net)

## Seeking Recipe Submissions

### Fundraising Cookbook

Please send your submitted recipes to either Lavonne Marafino and Gail Pedersen who are putting the cookbook together. You can send your recipes to one of us or both via email or regular mail.

## Beginnings and Endings Cookbook!

(Appetizers and Dessert Recipes)

An order form to preorder copies of our fundraising cookbook, *Beginnings and Endings* will be available in early January (*see the Grapevine newsletter for details*). We are seeking to have the Cookbook printed and available to members by March.

To make this cookbook a success our goal is to have 280 to 340 recipes from 60 to 75 members. We are more than halfway to our goals. So we are asking for recipes of appetizers and desserts. We have received old family recipes, secret recipes, easy and simple recipes and favorite recipes of our members.

The last time our branch created a fundraising cookbook was in the early 1960s. The time has come for a new fundraising cookbook and I want to express my appreciation to Lavonne Marafino for proposing and organizing this effort. Please help us make this a successful fundraiser by participating. Send your recipes as soon as possible.

## Cranberry-Pomegranate Sauce

This sauce is wonderful served with roast chicken, turkey, or ham. It also makes a wonderful spread for biscuits or scones. You can use fresh or frozen cranberries in this recipe. I pick up a few extra bags of cranberries in the late fall and freeze them for use all year in the sauce.

Makes: 10 servings

- 1 to 1 1/2 cups sugar
- 1 cup pomegranate juice (I used cranberry-pomegranate juice)
- 1 tblsp. grated orange peel
- 1/2 tsp. ground cinnamon
- 1 bag (12 ounces) fresh or frozen cranberries

1. In a non-reactive 2-quart saucepan, stir together all ingredients. Heat to boiling over high heat, stirring constantly.
2. Reduce heat to medium-low heat and cook for 20-25 minutes, stirring occasionally, until cranberries pop and sauce thickens slightly (it will be jelled when cooled).
3. Pour into serving bowl, cover and refrigerate until ready to serve.

#### Brief Overview of 2011's Eight Topics

1. **Rebuilding Haiti** – The January 2010 earthquake that devastated Haiti struck a country already suffering from widespread poverty and underdevelopment. Did this natural disaster inadvertently provide an opportunity for reassessment and planning a new Haiti?
2. **U.S. National Security** – U.S. national security priorities were expanded after the terrorist attacks of September 11, 2001, to include waging war in Iraq and Afghanistan, tightening border security, pursuing cyberthreats, halting nuclear proliferation and attempting to snuff out home-grown terrorism. How has the U.S. national security agenda evolved since 9/11?
3. **Horn of Africa** – Since the early 1990s, the U.S. has monitored the Horn of Africa due to security concerns. Internal instability, weak governments in some countries, and a lack of development have resulted in an environment conducive to terrorism. Can the U.S. protect its national interests while mitigating the dangerous conditions in the region?
4. **Responding to the Financial Crisis** – As an immediate response to the financial crisis of 2007–08, governments around the world stepped in to bail out troubled private banks deemed “too big to fail,” underscoring the interdependence between private and public finances. What have we learned so far and is it possible to ensure that future crises will not occur?
5. **Germany Ascendant** – Germany has emerged from both the financial crisis and the eurozone crisis as the dominant economic and political power in Europe, in particular setting the tone for dealings with Russia, Eastern Europe and Iran. How important is it for U.S. interests to enhance relations with Germany?
6. **Sanctions and Nonproliferation** – Sanctions have been created to curb nations in violation of international law, especially agreements concerning nuclear nonproliferation. How successfully have sanctions been applied against past violators?
7. **The Caucasus** – The countries and regions of the Caucasus all have strong national identities but have long lived in the shadow of their larger neighbors: Russia, Iran and Turkey. How does this influence the Caucasus of today?
8. **Global Governance** – International cooperation subjects political leaders to an ongoing test: balancing national needs with a commitment to building a durable international order. How has an increasingly interconnected and shrinking world affected the viability of existing agreements and institutions?
